

OVERVIEW OF INVOICED CASH-OUT NPP COMPENSATION (JUNE 2024)

The No Punishment Principle (NPP) applicable for daily imbalances (Cash-out purchase and sale) and hourly balancing obligations (Yellow Zone purchase and sale) is delineated in the Approved Methodology of the Adjusted Commercial Balance Model and the General Terms and Conditions for Gas Transport. On the invoice, NPP is only specified if the Shipper is eligible for NPP compensation.

Cash-out

In the event that the Shippers' preliminary daily imbalance quantities for the gas day differ from the valid daily imbalance quantities as a consequence of allocations in the Joint Exit Zone, NPP will be applied according to the General Terms and Conditions for Gas Transport 17.2 d) iii).
