Storage Customer Framework Agreement ("Framework Agreement")
between

[name of the Storage Customer]
and
Gas Storage Denmark A/S

Agreement ID: KON-[XXX]-[XXX]

1. Parties

This Framework Agreement has been entered into by:

Storage licensee

Name:	Gas Storage Denmark A/S
Address:	Tonne Kjærsvej 65
Postcode and town:	DK-7000 Fredericia
Country:	Denmark
GLN number:	579 000 167 963 7
VAT number:	DK 29 85 12 47

(hereinafter referred to as "GSD")

Storage Customer

Name:	[XXX]
Address:	[XXX]
Postcode and town:	[XXX]
Country:	[XXX]
GLN number:	[XXX]
VAT number:	[XXX]

2. Agreement period

This Framework Agreement is effective from: [01- MON-2024] at 06:00 hours

3. Master Data

The Storage Customer's Master Data is set up in accordance with clause 5.1 in GTCGS.

3.1   Short name: [XXX]

3.2   Sub-accounting: ☐ Yes ☐ No

       Sub-accounting is an optional feature offered by GSD for tracking of Stored Natural Gas by attributing one shipper code per sub-account, cf. clause 5.7 in GTCGS.

       Shipper Code 1:   [XXX]

       Shipper Code 2:   [XXX]

       Shipper Code 3:   [XXX]

3.3   In case there are multiple sub-accounts notified in clause 3.2 above and GSD reduces the Storage Customer's Total Nomination for all sub-accounts in an Hour, the reduction shall be allocated among the sub-accounts in accordance with one of the following two principles:

       ☐ Pro rata, where the Nominations shall be reduced in proportion to the received Nominations per Shipper Code; or

☐ <u>Prioritised</u>, where the reduction shall be allocated to the Shipper Code listed last in clause 3.2 above, until there is no more reduction to allocate, or the Nomination has been reduced to zero (0). Any remaining not allocated reduction shall be allocated to the Shipper Code listed second last in clause 3.2, until there is no more reduction to allocate, or the Nomination has been reduced to zero (0), and so on until the reduction has been fully allocated. The Nomination for Shipper Code listed first in clause 3.2 will be reduced last.

4. Online Procedure for ordering storage capacity

The Storage Customer has chosen to have access to the Customer Portal: ☒ Yes ☐ No

Through the Customer Portal the Storage Customer has access to own storage data and the options to: (a) nominate/renominate to Gas Storage, (b) book Firm Capacity on short-term, (c) initiate Transfers, (d) view own Data and Invoices, (e) publish announcement on the Bulletin Board and (f) administrate own users. Terms and conditions for use of the Customer Portal are in accordance with GTCGS, cf. clause 5.11 and clause 6.4. To be able to access the Customer Portal, the Storage Customer must conclude an Online Agreement, Appendix 4 to GTCGS.

5. Interruptible Capacity

The Storage Customer may use the following Maximum Interruptible Capacities:

Maximum Interruptible Volume Capacity:	[XXX] kWh
Maximum Interruptible Injection Capacity:	[XXX] kWh/Hour
Maximum Interruptible Withdrawal Capacity:	[XXX] kWh/Hour

The Storage Customer accepts that a Nomination for a specific Hour made in excess of the Firm Capacity subject to all Storage Agreements concluded between the Storage Customer and GSD and adjusted for any concluded Transfers, shall be regarded by GSD as a request for Interruptible Capacity in that Hour.

The terms and conditions for using Interruptible Capacities are described in GTCGS clause 5.3.
Used Interruptible Capacities are payable in accordance with GTCGS clause 9.1 b).

6. Credit Limit

To be able to enter into Storage Agreements in accordance with this Framework Agreement, GSD has assessed the Storage Customer's credit worthiness based on documentation provided by the Storage Customer in compliance with GTCGS clause 17.

From the start date of this Framework Agreement, GSD has granted the Storage Customer a Credit Limit of DKK [X,XXX,XXX]. This Credit Limit is:

☒ Fully based on GSD's assessment of credit worthiness
☐ Partly based on GSD's assessment of credit worthiness and partly covered by provision of security
☐ Fully covered by provision of security

7. Termination

This Framework Agreement expires when terminated with or without cause in accordance with the following clauses of the GTCGS:

a) clause 4.3: Termination of the Storage Customer Framework Agreement

b) clause 14.5: Prolonged Force Majeure

c) clause 19.1: Termination

8. Amendments

The Storage Customer may request changes to this Framework Agreement in accordance with GTCGS clause 4.2.

The Storage Customer shall accept amendments to this Framework Agreement necessary for this Framework Agreement to comply with the GTCGS version in force. GSD communicates any amendments that are to come into force to the Storage Customer with at least 30 (thirty) days' notice.

9. Acceptance of GTCGS

In concluding of this Framework Agreement, the Storage Customer accepts the version of GTCGS applicable at any time.
